The Grievance Committee has no jurisdiction over anything that transpires at a tournament not sanctioned by the USTA or an event that is not sponsored by the USTA, STA, or LTA. The Chair of the Grievance Committee shall be the one to determine whether or not there is jurisdiction over a grievance before the Grievance Committee.

Handling of the Grievance

All actions before the Grievance Committee shall be handled in the following manner:

1. Whenever a written complaint, through the US mail, overnight carrier or by personal delivery, is filed with the Chairman of the Grievance Committee charging that any member has violated the Articles of Incorporation or any of the ByLaws, Rules and/or Regulations of the LTA, STA, or the USTA standards of conduct, fair play and good sportsmanship, the Chairman shall cause a copy of the written complaint to be sent, through the US mail, overnight carrier, personal delivery or email, to the last known address or email address of such member, along with notice that it has been received by the Chairman, and requesting an explanation within ten (10) days after the transmission thereof by the Chairman. After review of the written complaint, the response, if any, of the member and any statements and other evidence compiled by the Chairman, the Grievance Committee shall review the materials submitted and arrive at a written determination as to the merits of the grievance. The member so charged shall be promptly notified of the decision of the Grievance Committee and of the right to appeal in the manner as set forth below.
2. Within thirty (30) days after receipt of written notice of the decision by the Grievance Committee, the member penalized may appeal the decision to the Executive Committee of the LTA by addressing a written request, through the US mail, overnight carrier or by personal delivery, to the President of the LTA requesting review by the Executive Committee. The discipline imposed by the Grievance Committee shall be stayed automatically while the appeal is pending, except in the case of an egregious act involving bodily injury or the threat thereof where a suspension has been imposed pending the outcome of the grievance. The Executive Committee shall thereupon promptly review the evidence considered by the Grievance Committee and the findings of fact and the decision of the Grievance Committee. The Executive Committee shall not be required to hold any hearing. However, the Executive Committee

may receive such further evidence, as it, in its absolute discretion, deems appropriate. Promptly following its review, the Executive Committee shall notify the member penalized of its decision. The Executive Committee shall have the power to affirm, modify or reject the decision of the Grievance Committee. Once the Executive Committee rules, the matter is final; there shall be no further appeal within the LTA.

3. The written complaint and any response shall be detailed to the fullest extent practicable. The complaint shall set forth all facts, witnesses, and specifically identify the actions which are the subject of the complaint. The Grievance Committee may reject any complaint that fails to meet a minimum level of specificity. Each complaint and response thereto shall include a certification by the author that all assertions contained therein are true and correct.
4. If the Grievance Committee finds that any complaint is intentionally incomplete, without any factual basis, and/or was filed to harass, embarrass, and/or was otherwise intended primarily to portray the respondent member in a negative and false light, the Grievance Committee may impose upon the complainant any penalty or discipline which might be imposed upon a complainant as set forth below.
5. All action of the Grievance Committee shall be reported to the STA Disciplinary Committee and any other bodies or individuals deemed necessary by the Executive Committee.

Period of Limitation

The complainant has 60 days from the date of the alleged violation in which to bring a grievance or else the grievance will forever be barred under this LTA procedure.

Discipline

The Grievance Committee has authority to impose penalties to the full extent allowed by the STA and USTA for the violation proven. These penalties are:

- (a) Issue a written reprimand.
- (b) Place any person(s) or organization(s) upon probation under such terms and conditions as the Committee may deem appropriate.

(Violation of any of the terms of probation shall constitute grounds for the imposition of additional penalties).

(c) Suspend any person(s) or organization(s) from participating in any tournaments or other events under the Committee's jurisdiction which are sanctioned by the USTA, or STA, or its State Associations. In the event of an egregious act involving bodily injury or the threat thereof by the person against whom the grievance is filed, said person may be immediately suspended from participating in any tournaments or other events sanctioned by the LTA or STA, pending the outcome of the grievance.

(d) Suspend any person who is associated with the member or event, including, but not limited to, a parent, guardian, coach, official or tournament staff member.

(e) Impose loss of sanction.

(f) Impose a fine not to exceed \$1,000.

(g) Any combination of the above.

Confidentiality

The Grievance Committee must keep the grievance confidential, except when interviewing witnesses in conjunction with the investigation of the grievance and except when discipline has been imposed publicly.

Further Discipline

If the member has been found in violation and fails to comply with the discipline imposed, without having appealed within the deadline to appeal, then the Grievance Committee may impose further penalties. The member may appeal the further discipline to the Executive Committee in accordance with the appellate procedures above. If the member did appeal but failed to comply with the appellate decision of the Executive Committee, then the Executive Committee may impose further penalties and there is no right to appeal such further discipline under the authority of the LTA. No further discipline may be imposed by the Grievance Committee or Executive Committee without first notifying the disciplined member in writing of the accusation that he or she did not comply with the original discipline and allowing the member to submit a written response.

Reinstatement

Any member who has been suspended or expelled pursuant to the provisions contained herein may be reinstated at any time by the Executive Committee on

evidence satisfactory to it that reinstatement is merited. Prior to taking any such action, the Executive Committee shall obtain the recommendations of the Grievance Committee.

14. RECIPROCITY

The LTA gives full faith and credit to the final decisions issued by the grievance or disciplinary bodies of the USTA, STA and every District within the STA and all other Sections of the USTA. Upon receipt of notice of such a final decision (all appeals have been concluded or the time for appeal has expired) by the Executive Director of the LTA of the expulsion, banishment, or suspension from competing, attending, spectating, coaching, or officiating, by any player, parent, coach, tennis professional, guardian, person associated with any player or players or tournament official, the discipline imposed shall apply within this LTA as if it had been imposed by the grievance procedures of the LTA.

A special meeting may also be called by at least 20 percent of Organization Members plus at least ten percent of individual members on a date, time and place that they select within Louisiana, so long as 60 days' notice is given to the Board.

Those calling the special meeting shall notify the Secretary of the Board, who shall certify the vote and notify the Board. The Secretary must post on the LTA website notice of such a special meeting 30 day before the meeting. The notice of special meeting by the foregoing members shall state the purpose of the meeting and only those matters stated in the request may be acted on at the special meeting.

Notice of Meetings

Written Notice of any meeting of members shall be deemed valid and sufficient if given via email to an email address for a member that has been provided to the LTA by either the member or the USTA. For any members who do not provide an email address, notice will be given by US Mail.

A majority of votes actually cast shall decide any matter properly brought before a meeting of members, except that Directors shall be elected by plurality vote.

16. PROXY VOTING IS PERMITTED

All members entitled to vote, may, by signing an appointment form ("Appointment) or by an electronic transmission, appoint another person as proxy ("Proxy") to vote or otherwise act for the member or director (as applicable). Unless (a) the Appointment or electronic transmission states that it is irrevocable and (b) the Appointment is coupled with an interest, an Appointment shall be revocable at will by the appointing party. Notwithstanding anything to the contrary therein, every revocable Appointment shall be deemed to expressly provide that the authority of the Proxy terminates, unless sooner revoked, at the completion of a meeting of the membership (including adjournments), which must be identified by date and hour in the Appointment. Every Proxy shall be bound by any express voting instructions in the Appointment. Unless otherwise expressly provided in an Appointment, it shall be deemed to confer on the Proxy a power to substitute by written instrument another person or persons in place of the Proxy to vote or otherwise act for the member or director (as applicable), within the limits specified in the Appointment, in the event of the inability or unwillingness for whatever reason of the Proxy to so vote or act.

17. VOTING

There shall be weighted voting based on voting strength.

18. INDEMNIFICATION

The LTA shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person, or such person's testator or intestate, is or was a Director or officer of the LTA, a committee member who is not a Director or officer of the LTA, or an employee or agent of the LTA designated for indemnification by the Board, or is or was serving at the request of the LTA as a Director, Collective Director, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise (hereinafter all referred to more generally as "indemnified parties"), against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person as a result of such action, suit or proceeding to the full extent permitted by applicable law, upon such determination having been made as to such person's good faith and conduct as is required by applicable law. However, the indemnity is not mandatory, but rather is permissible, when the LTA has instituted such legal proceeding; and

indemnification is permissible, but not mandatory, in cases in which the employees and agents are neither officers nor directors.

The President may authorize the reasonable reimbursement of any individual necessarily incurring travel, housing, meals, office, mailing, telephone or other expense in connection with the business of the LTA. All reimbursements shall be subject to review by the Board at the next ensuing meeting.

Upon receipt of proper documentation of expenses and subject to the approval of the President or the Executive Committee, the LTA may reimburse LTA Board Members and other persons for travel expenses incurred for STA and USTA meetings who are members of a committee, sub-chair or otherwise serve on a STA or USTA committee to the extent those travel expenses will not be reimbursed by the STA or USTA.
